

# Student Permission and Hold Harmless Agreement

## San Joaquin County Science and Engineering Fair

I \_\_\_\_\_, as the parent/guardian of \_\_\_\_\_, approve my child's participation in the San Joaquin County Science and Engineering Fair (SJCSEF) in the event that my child's project is selected by the participating school. I assume responsibility for the oversight of the scientific research conducted by my child in association with the teachers.

My child and I are fully responsible for reading, understanding and adhering to the San Joaquin County rules ([http://sjcoesciencefair.weebly.com/uploads/2/1/0/7/21073864/sef\\_handbook\\_16.17.pdf](http://sjcoesciencefair.weebly.com/uploads/2/1/0/7/21073864/sef_handbook_16.17.pdf)) Failure to comply will result in rejection of my child's science project application and/or disqualification of the child's project entry at the actual event even if the application was approved.

I understand that high school division top prize winners and middle school division top prize winners may be eligible to compete at the California State Science Fair (CSSF).

I give permission to San Joaquin County and any news media in attendance at the SJCSEF and CSSF to photograph, videotape, and interview my child during the fair(s) and agree that recordings may be used, reproduced, and distributed without restriction by the San Joaquin County, participating San Joaquin County school districts, and news media in news stories, publications and promotional activities.

**I agree to hold harmless the San Joaquin County Science and Engineering Fair and their employees, agents and contractors against any liability and any claims resulting from my child's participation in the SJCSEF and the subsequent CSSF events, and additional state, national or international fairs to which my child may earn an invitation to participate.**
